ANOTHER EDWARD DANTES.—The Danish steamer Oscar II, which arrived at New York from Christiansand last week, brought three stowaways: William Johnson, a Welshman, aged 21 years; Isaac Jensen and Oscar Hansen, Norwegians, aged 23 and 20 years, respectively. Two days after the vessel left Christiansand the three stowaways were found and turned over to the chief engineer, who made them work their passage by shoveling coal into the furnaces. One day a passenger died and was placed in a coffin to be brought to port. Johnson heard about it and schemed to get past the immigration officers on landing. He made an excuse to leave the stowaway, and making his way to the coffin, unscrewed the lid. Securing the body among the bales where he had formerly found refuge, he placed himself in the coffin. It was not long before he was missed. Then a search of the ship was made. He had secreted the body so well that the searchers did not find it until 24 hours later. At first it was thought to be the body of Johnson, but was soon identified as the stowaway passenger who had died. Searchers went at once to the coffin and found Johnson. He was dragged from his gawdawny hiding place, and the body of the passenger was lifted back into the coffin. On reaching port the trio were turned over to the immigration officials. The officers took the man to Ellis Island. While waiting a hearing before the board of special inquiry the trio made their escape in a crowd of released immigrants.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition perfectly and permanently. The cures effected by this medicine are almost countless.

"I have taken one bottle of Dr. Pierce's Golden Medical Discovery for indigestion and liver complaint," writes Mr. C. W. Wilson, of Yonkers College, Davidson Co., N. C. "I have had no bad effects since I commenced taking your medicine. In fact have not felt like the same man. Before I took the 'Golden Medical Discovery' I could not eat anything without awful distress, but now I can eat anything I wish without having unpleasant feelings."

Don't be fooled into trading a substance for a shadow. Any substitute offered as "just as good" as "Golden Medical Discovery" is a shadow of the real thing. There are cures behind every claim made for the "Discovery," which no "just as good" medicine can show.

Dr. Pierce's Pleasant Pellets cleanse the bowels and regulate the liver. They produce permanent benefit and do not react on the system.

## DISCREET, SIX-PAY, THEORY.—At

the Temple of Israel in Chicago, Friday night, Dr. Emil G. Hirsch declared his absolute disbelief in the first chapter of Genesis, and bade his congregation discard it as an article of faith.

"Religion, biology and astronomy," he declared, "have each given evidence that make it impossible to believe that the world was created in six days. It is impossible, also, to give serious consideration to the efforts that have been made to reconcile science and religion. All nations," said Dr. Hirsch, "have their own ideas of the creation of the world, and in every case the creation has been ascribed to their favorite gods. The world has gradually progressed from polytheistic to monotheistic ideas; and there is no doubt that the first chapter of Genesis is simply a relation by some Jewish writer of stories told by the Babylonians which the Jews had carried from their captivity in Babylon, 600 years before Christ."

SEIZURE OF A RABBI.—Rabbi Herman Getz, of New York, committed suicide yesterday afternoon a few hours before the time set for his marriage to a second wife. In a note which he left for his relatives he said that he had killed himself rather than live and grieve for his wife, who died eleven months ago. He recently met a Mrs. Friedman, a widow, and grew attached to her. A few days ago he announced that he was going to marry and that yesterday evening had been fixed for the event. It was subsequently discovered that he had swallowed a quantity of carbolic acid. His son Max later found a note written to him in Hebrew by his father. In it the rabbi said he was sorry to bring disgrace on his family and friends. He had resolved on suicide because on the eve of his second marriage he had thought of his dead wife and had come to the conclusion that he loved her too much to marry again.

Old People Have Their Troubles.—Mrs. Francis Little of Benton Harbor, Mich., is over eighty years of age. Since 1855 he has been troubled more or less with indigestion and constipation and has tried almost everything in use for these ailments. Last August he began using Chamberlain's Stomach and Liver Tablets and was soon feeling much better. In a recent letter he says: "I have used three boxes of the Tablets and now think I am well." These Tablets improve the appetite and invigorate the stomach, liver and bowels. For sale by Richard Gibson, druggist.

Natural Anxiety.—Mothers regard approaching winter with uneasiness, children take cold so easily. No disease does more little lives than cold. It is so sudden that the sufferer is often beyond human aid before the doctor arrives. Such cases yield readily to One Minute Cough Cure. Liquidifies the mucus, allays inflammation, removes danger. Absolutely safe. Acts immediately. Cures coughs, colds, grip, bronchitis, all throat and lung trouble. F. S. McMahon, Hampton, Va.: "A bad cold rendered me voiceless and I was in a critical condition. I intended to withdraw but took One Minute Cough Cure. It restored my voice in time to win the medal." For sale by E. S. Leadbeater & Son.

White there is life there is hope. I was afflicted with catarrh; could neither eat nor sleep and could hear but little. Ely's Cream Balm cured it. —Marius G. Shurtz, Baltimore.

Cream Balm relieved the safely and the effect is surprising. My son says the first application gave decided relief. Respectfully, J. Franklin Freeman, Dover, N. H.

The Balm does not irritate or cause sneezing. Sold by druggists at 50 cts. or mailed by Ely Brothers, 66 Warren street, New York.
